## Appendix Structure

This section of the service manual (Appendix) contains specific details for the NSE-3NX handportable telephone

The appendix comprises three chapters as follows: Chapter 1, Foreword (this chapter); Chapter 2, Transceiver NSE-3NX, containing an exploded view of the NSE-3NX variant (including a list of assembly parts) plus component parts lists covering the system module and the display module; and Chapter 3, Quick Guide, which aims to provide all user information that service personnel are likely to require during servicing and repair of equipment.

**NOTE:**        **The Service Manual is intended for use by qualified service personnel only.**

## Company Policy

Our policy is of continuous development; details of all technical modifications will be included with service bulletins.
